Ready Pac Honored during Midnight Mission 100th Anniversary Gala
Renowned Human Service Organization Recognizes Previous Award Honorees during Centennial Celebration

Irwindale, Calif. (October 21, 2014) – Ready Pac Foods, Inc. was honored by The Midnight Mission during this year’s Golden Heart Awards Gala. Held on September 30th at The Beverly Wilshire Hotel, the Historic Los Angeles human service organization, The Midnight Mission, hosts an annual Gala to celebrate the philanthropic efforts of their contributors. During this year’s Gala, which commemorated the centennial of their service organization, Ready Pac was recognized as a past recipient of the stewardship award in 2002, wherein Ready Pac was honored for their donations of fresh produce and support of The Midnight Mission and people it serves.

Centered in the Skid Row area of downtown Los Angeles, The Midnight Mission runs one of the most efficient direct service operations in the country. Employed by steady leadership (only four executive managers throughout its 100 year history), The Midnight Mission has served as a steadfast community platform for those faced with homelessness and in dire need of compassionate support.

“Ready Pac is proud to be included in the recognition of The Midnight Mission’s honorees” said Tony Sarsam, Chief Executive Officer at Ready Pac. “The sheer impact this organization has on our community is undeniable. We are inspired by the conviction and success the Mission has demonstrated. The Ready Pac team is proud to have had the opportunity to help provide resources that can remove obstacles faced by those experiencing homelessness and pave paths for better lives.”
